## Statement for Axis Paragliders Vega 6 L

Axis Paragliders Vega 6 L, have passed full certification, flight test 20.02.2023 and load test 16.02.2023

All these tests make the glider in category (C) for EN certification 926-1 / 926-2

Since we have a delay of delivery the administration and the publication, test reports will be published as soon as possible
